Paraty

1. Pousada Literária de Paraty

Located in the Historic Center, Pousada Literária translates the essence of Paraty by balancing the city's cultural life with tranquility and comfort. Among books, gastronomy with local ingredients, and attentive hospitality, the inn acts as a hostess of the territory. Here, time takes on another rhythm so that rest becomes stories to live and tell.

2. Livraria das Marés

Neighboring Pousada Literária, Livraria das Marés is a reference for those who love Paraty and Literature. With classic titles and new releases from contemporary literature, the bookstore is a meeting place: book launches, debates, book clubs, and exhibitions. And at the back, a café integrated into a charming garden.

3. Restaurante Quintal das Letras

Restaurante Quintal das Letras is one of the highlights of Paraty's celebrated gastronomic circuit. The menu wanders between seasonality and haute cuisine, with the roots of Caiçara culinary and regional flavors prevailing. Following the "farm to table" concept, a large part of the ingredients is cultivated at Fazenda Bananal, reinforcing the commitment to sustainability, the appreciation of local producers, and the authenticity of the Atlantic Forest's flavors.

4. Spa Poesia

Located inside Pousada Literária, SPA Poesia is a space for well-being and self-care with a special menu of treatments for guests and passersby. Therapies are conducted by experienced professionals who use ideal products and techniques for a real sense of balance.

@pousadaliteraria

5. Fazenda Bananal

A few minutes from Paraty's Historic Center, Fazenda Bananal is an immersion space in the Atlantic Forest, located on a historic 17th-century farm with 180 hectares of preserved area. Dedicated to hosting group events, Bananal welcomes corporate meetings, celebrations, and educational experiences surrounded by nature, with proposals carefully designed for each occasion and linked to farm-to-table gastronomy.

6. Maria Panela

Gently rocking on the crystalline emerald green sea, the Maria Panela tour begins with a speedboat ride from the Marina Farol de Paraty to Saco do Mamanguá, where the vessel is anchored for diving, kayaking, stand-up paddleboarding, and snorkeling. The lunch break is an experience in itself: flavors of Caiçara cuisine in haute cuisine dishes.

@pousadaliteraria

7. Passeios Náuticos

Small or extensive, wild or bustling, the islands and beaches of the Paraty bay form a scenery with crystal clear waters and a biodiverse forest. Lasting 5 to 6 hours, the tour includes a special picnic basket and a stop for lunch at one of the Caiçara food restaurants located on the islands, in addition to a break for diving.

8. Saco do Mamangá (Day Use)

An experience in one of the most charming places on the Costa Verde in Rio de Janeiro, with the care, comfort, and service standards of Pousada Literária. In this paradise, you can listen to the sound of the sea, bathe in calm waters, rest in a hammock, and enjoy the preserved nature of the Atlantic Forest. The experience invites to outdoor moments, with stand-up paddleboarding and kayaking, as well as a gastronomy based on Paraty and fresh seafood.

@pousadaliteraria

9. DAQUI Café & Empório

A unique curation that unites the native flavors of our biomes, the talent of the region's artisans, and recipes sought after by those who arrive in the city. Everything you find at DAQUI arrives with intention, truth, and care.

@emporio.daqui

10. Bar Atlântico

Bar Atlântico follows the rhythm of the waves of one of the most bohemian places on the Rio-São Paulo axis. Here, at Praça da Matriz, the farm-and-sea-to-table menu and the drink list toast and celebrate the rhythm of the tides that rock Paraty.

@baratlanticoparaty

Trancoso

1. Pousada Tutabel

Pousada Tutabel is a charming beachfront inn located on Itapororoca Beach, in Trancoso (Bahia), where the meeting between the sea and the Atlantic Forest creates a unique setting of tranquility and well-being. With suites that capture the sound of birds and ocean waves, gastronomy inspired by the flavors of Bahia, nature-integrated activities, and experiences linked to environmental conservation, Tutabel offers sophistication and warmth, valuing local history and biodiversity.

@pousadatutabel

2. Tutabar

Beachfront and facing the sea of Trancoso, Tutabar brings together signature drinks, charcoal-grilled snacks, and fresh local ingredients in a relaxed and charming atmosphere. Perfect for celebrating good times, it is the ideal setting for events, meetings, and special experiences by the sea.

@tutabar.trancoso

3. RPPN Rio do Brasil

Rio do Brasil integrates an area dedicated to sustainable productive activities and a Private Reserve with 975 hectares of untouched forest, located in Trancoso, Porto Seguro, Bahia. In addition to protecting local biodiversity, Rio do Brasil offers experiences that connect visitors to the region's natural and historical heritage, such as bird watching, trails, and kayaking on the first mapped river in the country, and promotes environmental education practices, for example, which generate benefits for both the environment and the local community.

Trijunção

1. Pousada Trijunção

Pousada Trijunção is an experiential lodging located on the border between Bahia, Goiás, and Minas Gerais, surrounded by the preserved landscapes of the Cerrado. With only seven suites, the inn combines comfort, regional gastronomy, and nature immersion activities, such as wildlife observation, trails, and safaris, while also contributing to biodiversity conservation.

@pousadatrijuncao

2. Fazenda Trijunção

Fazenda Trijunção is located at the intersection of Bahia, Goiás, and Minas Gerais, covering an area of 28,000 hectares. Surrounded by Cerrado landscapes and connected to the Grande Sertão Veredas National Park by an important ecological corridor, the property serves research projects and conservation initiatives carried out for almost three decades in partnership with institutions such as Onçafari and Embrapa.

Outros (Others)

1. Juçaí

Juçaí is a brand that produces an alternative to traditional açaí using the fruit of the juçara palm (*Euterpe edulis*), a species native to the Atlantic Forest. The company was born with the purpose of generating economic value for the standing forest, encouraging the sustainable harvesting of juçara fruits instead of the predatory extraction of hearts of palm. Its products are organic, vegan, and focused on sustainability, promoting environmental conservation, fair trade with local communities, and the protection of the Atlantic Forest's biodiversity.
